Community Service Day 2018

The RRA Difference. 1 day. 140 volunteers. 430 hours.

Robertson Ryan & Associates hosted their second annual **Community Service Day** on May 16th. Since 1960, Robertson Ryan has made the commitment to make a difference in our communities by volunteering. Now 58 years later, **RRA serves hundreds of community organizations** through our dedicated 230 team members spanning 20 locations. "Beyond helping our clients insure and protect what is most important to them, **we want to make the neighborhoods we live and work in better today than they were yesterday,**" said Allan Degner, Robertson Ryan's Vice President of Marketing.

Robertson Ryan's Employee Engagement Committee spearheaded the efforts for organizing the Community Service Day. Over 140 RRA team members sought out projects to benefit non-profits and service organizations near our offices. The projects ranged from 2 to 4 hours and included organizing, seasonal landscaping, animal care and cleaning, to internally based projects such as making blankets and baking for fire departments and police stations.

Baking for Public Service

Lunch & baked goods for local Police, Firefighters, and Red Cross

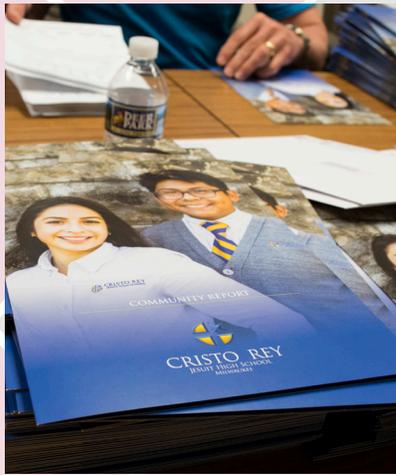

Children's Hospital of Wisconsin

Cutting and tying fleece blankets to be donated to Children's Hospital

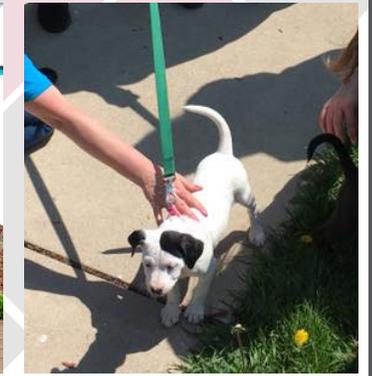

Cristo Rey Jesuit School

Organizing files, database, event support, donor engagement, and direct mail
